New Delhi, Delhi Feb 10, 2022 ([Issuewire.com](https://www.issuewire.com)) - Established in 1995, OJYA Natural is one of the biggest and most well-known manufacturers, suppliers, and exporters of a vast range of Henna Products & all types of Cosmetic, including Henna Powder, Henna color, and Henna Base Hair Dyes.

We have established a world-class infrastructure to process optimum quality herbal products and hair dyes. Latest and advanced technology machines and equipment are set up in our infrastructure to make the preparation process easy and defect-free.

Our product range is primarily used in cosmetic industries. Due to their high medicinal properties, the offered range of herbal powders, [natural henna cone](#), black hair shampoo, body lotion, essential oils, and fragrances is pretty popular among our customers.

The complete product range is processed under the extreme supervision of our strong team, which comprises quality controllers who conduct a series of tests to examine the flawlessness of the raw materials used and the finished products.

Our main priority is to fulfill the exact requirements of our valuable customers on time and to provide them with natural and pure products having high medicinal value.

We export our products all over the world. We are committed to producing the highest quality of henna-based hair color products, combined with the goodness of natural elements. Our range of products includes 100% pure henna powder, the combination of henna with other herbs, 100% natural hair colors, and henna-based, ammonia-free hair colors that give results quickly and easily.

We also process the highest quality of different beauty products like body lotion, face wash, essential oils, and many more that enhance and nourish your body and hair. Our trained professionals' knowledge, research, and expertise have helped us reach out to markets across the globe.
