

## Orchatect Selects Delta Payment Solutions for Strategic Payment Partnership

**Dallas, Texas Feb 24, 2022** ([Issuewire.com](https://www.issuewire.com)) - [Orchatect](#) is thrilled to announce a new strategic partnership with [Delta Payment Solutions](#), which will deliver integrated payment product onboarding and payment services for the franchise industry. By partnering with Delta Payment Solutions, the [Maestro®](#) solution not only monitors and manages data in real-time at all points throughout the business, but it now has the power to shrink time to market for new locations, support omni-channel operating models, reduce payment processing fees for clients and help Franchisors manage royalty and other franchise fee invoice billing.

“[Orchatect](#) is excited to welcome [Delta Payment Solutions](#) as a trusted partner to the [Maestro®](#) solution. We look forward to working together to help franchises manage their business, find new and innovative solutions to help them succeed, and increase profitability.”, says [Monty Miller](#), President, Orchatect Inc.

“We are excited to work with the Orchatect team and bring integrated payment solutions to the [Maestro®](#) solution.”, says Stacey Wiles, COO at [Delta Payment Solutions](#). “Maestro® provides data insight via smart automation to help franchise owners run profitable businesses. It makes sense that revenue stream management is part of that.”

**About Orchatect:** At Orchatect, we serve companies with multiple locations. Our product, Maestro®, is a total business SaaS solution that enables all your technology and business applications to communicate and integrate with each other so you have Command & Control of your business through a single pane of glass and automated alerts.
