New York City, New York Feb 21, 2022 ([IssueWire.com](https://www.issuewire.com)) - An established anesthesiologist, Dr. Talreja sees patients at his private practice Team Health Anesthesia in Tampa, Florida.

A native of India, he earned his medical degree from the Grant Medical College in 1980. Upon relocating to the United States, he completed his residency in anesthesiology at the University of South Florida Morsani College of Medicine in 1996. Later, he earned his Master of Business Administration degree (MBA) from the University of Tennessee Haslam College of Business in 2006.

Passionate about his profession, the doctor is board-certified in anesthesiology and pain management by the American Board of Anesthesiology (ABA). As the certifying body for anesthesiologists since 1938, the ABA is committed to partnering with physicians to advance the lifelong learning and exceptional patient care. Its mission is to advance the highest standards of the practice of anesthesiology.

Anesthesiology is the medical specialty concerned with the total perioperative care of patients before, during, and after surgery. It encompasses anesthesia, intensive care medicine, critical emergency medicine, and pain medicine. Anesthesiologists have the primary responsibility of monitoring the patient's vital signs during surgery. In addition to basic measurements such as pulse, blood pressure, and temperature, they measure the patient's respiration.
