

Respectful Development Initiative Ltd Announces Appointment of Chief Financial Officer

London, United Kingdom Feb 19, 2022 ([IssueWire.com](https://www.issuewire.com)) - RESPECTFUL DEVELOPMENT INITIATIVE LTD ("RDInitiative") today announced the appointment of Roy Hattingh as Chief Financial Officer (CFO) and Board Member.

"Roy has extensive experience in banking, FinTech, professional services, and payment systems acquired through years of specialization in those sectors as a senior partner at a global "Big Four"

practice, and subsequently in the private sector. His appointment brings a depth of experience to our finance function as well as the strategic and commercial aspects of our journey in building a leading FutureFi business. We are excited to welcome Roy to the team as we enter our next operational phase” said Chris Donnachie, Chairman.

Roy is a hands-on C-level Finance Professional having specialized in the fast growth FinTech space. He has had exposure to large and medium-sized offices of global professional services firms at the Partner level across both developed and emerging markets. Roy has experience and expertise across disciplines and geographies and is specialized in the financial services sector. He has extensive experience in leadership and management of teams and projects within fast-moving dynamic business environments and industries.

Roy holds an honours degree in accounting and has been a Chartered Accountant since 1993. He worked at a global "Big Four" practice in their London and South African offices in the earlier part of his career and later was a Partner in their Dubai, Moscow, and Kazakhstan practices in their Financial Services line of business. He has had roles in Financial Services Audit, Risk Management, Transaction Services, and International Security Offerings. Roy also previously occupied the role of COO/CFO for Celbux, a FinTech cloud-based financial services transactional platform.
