Hoang Mai, Hanoi Feb 1, 2022 ([Issuewire.com](https://www.issuewire.com)) - Everyone has certain goals in life and they try to achieve those goals as early as possible so that they can get more time to enjoy their success. If you don't know who is Duy then I clarify that he aka Nguyen Luong Duy the full name of Duy he started his career as a Vietnamese Blogger. But, now Duy knows professionally as a Vietnamese musical artist, youtube personality or author in the internet world. All famous search engines like Google, Yahoo, Microsoft Bing and Youtube are officially verified on their search engine as famous Vietnamese artists.

Curious to know Why He Changed His Category into Musical Artists from Youtube?

Duy changed the category from YouTube to a Musical Artist. It's not true. He didn't stop making tutorials on Youtube. Today, If anyone asks Duy, which is your main category then he always said that firstly I am a YouTuber. He always stated that Youtube made him and he made his career from Youtube.

Why Added Musical Field into His Career?

Now you think, then why do Duy go to in music field. Here Duy said already that I am YouTuber after

that I am a Musical Artist. One day Duy experimented on the Youtube Artist Channel. If you don't know what is Youtube Official Artist Channel then you can search him on Google or Music Streaming platform, Duy has written a complete book and article on his Official Website. Official Youtube Artist Channel is Specially designed by Youtube for Musical Artists. One day Duy get an Official Artist Channel and make music on it. That video goes viral on Internet & Youtube. That's why he got a new Character on the internet of a Musical Artist. Nowadays everyone knows that Duy is a Musical Artist from Vietnam.

What is his profession?

We all know that a great profession makes a successful man, right? Duy said, I never changed my profession and category, it was just an experiment and Many YouTubers already faced this type of issue in their life. So, at the end of the point, Duy clarified that he is a YouTuber. While working in life our faces might change over time. It depends on people how people can see you or in which Character or image people want to see you.

How did he become successful at such a young age?

As I said earlier, from his childhood days only Duy wanted to achieve something great in life and wanted to prove everyone wrong by doing impossible things. This kind of mindset and motivation only helped him to achieve success at such a young age. He worked on his skills day and night and finally achieved success after he implemented them. Identifying his passion and working on them to do something great in life is the only reason why he is successful. No doubt, if he will keep on working like this, he may become one of the richest and the most talented people on this globe.

Intended for Duy's upcoming music release?

In the near future, Duy has 2 new releases, 1 release will be a single called "I Go" this single Duy writes mainly about the love story of one person going and one person staying and the other going here. be yourself so it's called "I Go", the 2nd release is a mini Album also known as an EP consisting of 4 singles called "Champion Light" The EP is going to be Duy's debut EP. and there will be a lot of interesting things.
