

Ronald Stritzler, MD, FAAD, a Dermatologist in Private Practice and with North Shore University Hospital

Get to know Dermatologist Dr. Ronald Stritzler, who serves patients in New York.

New York City, New York Feb 9, 2022 ([IssueWire.com](https://www.IssueWire.com)) - With a focus on improving the appearance of skin with aging, Dr. Stritzler is a well-versed dermatologist offering care for patients suffering from skin, nail, and hair problems. He is in private practice in Roslyn Heights, New York & remains affiliated with North Shore University Hospital in Manhasset, New York.

North Shore University Hospital is a part of Northwell Health, New York State's largest healthcare provider and private employer. It is a teaching hospital for the Donald & Barbara Zucker School of Medicine at Hofstra/Northwell, offering residency programs, postgraduate training programs, and clinical fellowships

Back in 1959, Dr. Stritzler obtained his medical degree from the Faculty of Biology and Medicine of the University of Lausanne in Switzerland. Upon relocating to the United States, he went on to complete his internship at Maimonides Medical Center in 1961, followed by his residency in dermatology at NYC Health + Hospitals / Bellevue in 1964.

A Fellow of the American Academy of Dermatology (FAAD), the doctor is board-certified in dermatology by the American Board of Dermatology (ABD). The ABD is a voluntary, non-profit, private, autonomous organization formed for the primary purpose of protecting the public interest by establishing and maintaining high standards of training, education, and qualifications of physicians rendering care in dermatology.

Dermatology is the branch of medicine dealing with the skin. The skin is the largest organ of the body. Dermatology is a specialty with both medical and surgical aspects. A dermatologist is a specialist doctor who manages skin diseases and deals with both internal and external causes and some cosmetic concerns involving the skin. Dermatological duties include taking consultations, providing screening tests, and undertaking non-invasive surgical procedures.
