

Ryan E. Tucker, MSN, PMHNP-BC, a Psychiatric Mental Health Nurse Practitioner with Psychiatric Centers at San Diego

Get to know Psychiatric Mental Health Nurse Practitioner, Ryan E. Tucker, who serves patients in San Diego, California.

New York City, New York Feb 18, 2022 ([IssueWire.com](https://www.issuewire.com)) - Ryan is a board-certified psychiatric mental health nurse practitioner currently serving patients at Psychiatric Centers in San Diego.

At Psychiatric Centers at San Diego, their mission is to improve the health of their community by providing quality, comprehensive, and cost-effective behavioral health services through a caring partnership with their patients, clinicians, staff, and community physicians.

Academically, Ryan graduated with his Associate's Degree in Nursing from the Butler Community College in 2012. He then went on to receive his Bachelor of Science in Nursing degree from Western Governors University in 2017, and his Master of Science in Nursing degree from the University of South Alabama in 2020.

An active member of the Neuroscience Education Institute, he has received board certification as a psychiatric mental health nurse practitioner from the American Nursing Credentialing Center.

A Board-Certified Psychiatric-Mental Health Nurse Practitioner (PMHNP-BC) is an advanced practice nurse that holds board certification and seeks to improve mental health care and the overall health status of communities.
