

Sara Talken, MD, an Obstetrician-Gynecologist with Specialists in Women's Care

Get to know Obstetrician-Gynecologist Dr. Sara Talken, who serves patients throughout the State of Kansas.

New York City, New York Feb 15, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Talken is an obstetrician-gynecologist at Specialists in Women's Care, tending to patients at their offices in Olathe and Kansas City, Kansas. She offers comprehensive women's care, from well-woman exams and routine gynecology to pregnancy care and management of menopause and mid-life issues and conditions. She can also be found on staff

at Overland Park Regional Medical Center.

The physicians and staff at Specialists in Women's Care are dedicated to providing the women of their communities with an exceptional level of care. They offer board-certified expertise with more than 100 years of combined experience to meet the needs of women at every stage of life. Their physicians are making sure women have close access to quality healthcare from doctors they know and trust.

Completing her medical education at the University of Kansas School of Medicine, Dr. Talken attended the University of Oklahoma Health Science Center for her post-graduate training in obstetrics and gynecology, where she served as Chief Resident and received both student excellence and medical student teaching awards.

Obstetrics and gynecology (OB-GYN) is the medical specialty that encompasses the two subspecialties of obstetrics (covering pregnancy, childbirth, and the postpartum period) and gynecology (covering the health of the female reproductive system – vagina, uterus, ovaries, and breasts).
