USAP-Texas (Gulf Coast), formerly known as Greater Houston Anesthesiology (GHA), has provided leading perioperative and anesthesiology services for the foremost medical facilities in, and surrounding, Houston, Texas for over 50 years. They are linked together with other high-quality anesthesia practices across the country, enabling them to set the standard for superior patient care while remaining focused on the needs of their Houston area patients, surgeons, payers, and healthcare facilities.

In regards to her educational background, Dr. Berry completed her medical education, internship, and residency in anesthesiology at the University of Texas Health Science Center at San Antonio, Joe and Teresa Lozano School of Medicine.

An authority in her field, the doctor is board-certified in anesthesiology through the American Board of Anesthesiology (ABA). As the certifying body for anesthesiologists since 1938, the ABA is committed to partnering with physicians to advance the lifelong learning and exceptional patient care. Its mission is to advance the highest standards of the practice of anesthesiology.

Anesthesiology is the medical specialty concerned with the total perioperative care of patients before, during, and after surgery. It encompasses anesthesia, intensive care medicine, critical emergency medicine, and pain medicine. Anesthesiologists have the primary responsibility of monitoring the patient's vital signs during surgery. In addition to basic measurements such as pulse, blood pressure, and temperature, they measure the patient's respiration.
