Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

Obesity is the most prevalent disease in our society. Bariatricians are the physicians specially trained to manage and treat this condition. ABOM certifies those physicians.

Among her most notable achievements, Dr. Kumar has been the recipient of the Patients' Choice Award (2018, 2017, 2016, 2015, 2014), and Compassionate Doctor Recognition (2018).
