

Thais Aliabadi, MD, FACOG, an Obstetrician-Gynecologist in Private Practice

Get to know Obstetrician-Gynecologist Dr. Thais Aliabadi, who serves patients in Beverly Hills, California.

New York City, New York Feb 21, 2022 ([Issuewire.com](https://www.issuewire.com)) - A highly trained obstetrician-gynecologist, Dr. Aliabadi maintains an international practice focused on all facets of gynecological care. Supported by her warm professional team, she guides women through all phases of life and cherishes the special one-on-one relationship with her patients. She specializes in state-of-the-art minimally invasive surgical techniques, promising her patients shorter recovery times, reduced pain, and the least interruption to their daily lives.

Pertaining to her educational background, she graduated summa cum laude with her medical degree from the Georgetown University School of Medicine, where she was a member of the Alpha Omega Medical Honor Society. She then completed her internship and residency training in obstetrics and gynecology at Los Angeles County + University of Southern California Medical Center.

Prior to her medical training, Dr. Aliabadi received her Bachelor of Science degree in Biology from the University of California at Berkeley with honors, and a Master of Science degree in Physiology from Georgetown University. Her extensive education provided the basis for the dedicated care she now provides to her patients.

Recognized as a Fellow of the American College of Obstetricians and Gynecologists, the doctor is board-certified in obstetrics and gynecology by the American Board of Obstetrics and Gynecology (ABOG). The mission of the ABOG is to define specialty standards, certify obstetricians and gynecologists, and facilitate continuous learning to advance knowledge, practice, and professionalism in women's health.

On a professional level, she is an active member of the American Medical Association, and the Los Angeles County Medical Association.

Practicing obstetrics and gynecology in Los Angeles since 2002, Dr. Aliabadi serves as an official gynecologist for a number of royal families and many "celebrities", as well as instructing residents at Cedars Sinai Medical Center and medical students at the University of Southern California.

Before starting her own practice at Cedars-Sinai, she served as the Medical Director of Teresa Medical Center in Los Angeles, as well as the Director of Gynecology at 90210 Surgery Center and Precision Ambulatory Surgery Center. She also served as the supervising physician at Northeast Valley Health Corporation and California Hospital Medical Center.

Obstetrics and gynecology (OB-GYN) is the medical specialty that encompasses the two subspecialties of obstetrics (covering pregnancy, childbirth, and the postpartum period) and gynecology (covering the health of the female reproductive system – vagina, uterus, ovaries, and breasts).

As a testament to her success, Dr. Aliabadi has been the recipient of the Compassionate Doctor Recognition (2015, 2013, 2012, 2011, 2010, 2009), Top 10 Doctor - City (2014), Top 10 Doctor - Neighborhood (2014), Patients' Choice Award (2010, 2008), Compassionate Doctor Award - 5 Year Honoree (2013), Janet M. Glasgow Memorial Achievement Citation (1998), Dean's Honors List (1990-1992), B'nai Brith International Award, Los Angeles Magazine Top Doctor Award, Top OB-GYN in Los Angeles Award by Leading Physicians of the World, America's Top Obstetricians and Gynecologists by Consumer Research Council of America, and Super Doctors of Southern California Award.
