THE GRUFF PACK

Perth, Western Australia Feb 17, 2022 ([Issuewire.com](https://www.issuewire.com)) - To experience outstanding rock music listen to the new age rock band **The Gruff Pack**. The musically and lyrically profuse tracks of them have grabbed the attention of listeners. With the ecstatic pieces of art, the duo has achieved a significant spot in the industry. Their newly released album '[Summer Rainbow](#)' is receiving a lot of

appreciation. The caliber of this duo of making songs with heartfelt lyrics and electrifying music is beyond anyone's reach. This independent band is an example of a proficient duo.

Their new album '**Summer Rainbow**' is a wonderful accumulation of fine tracks. The album contains eleven diverse soundscapes. The whole album gives a very refreshing and positive vibe through it. All the tracks from the album are getting equal responses but a few of them have got a little more attention, those are, 'Birak', 'Melting Pot', 'Rock & Roll Gypsy', and 'Run to the Sun'. All the tracks are capable of providing individual emotion with them. The band is slowly releasing videos, one at a time on YouTube. All the videos of the album will be releasing soon.

The Gruff Pack is a new band in the industry but they have given a lot of songs in a brief time. They have also given a few music videos of their new album and will release the rest of them slowly. Some of the previous works that have helped them to gather more listeners are Solstice and Christmas Gift. All their songs are available for listening on Spotify and YouTube.
