

The Enchanting Musicality of Benjamin Longmire is One the Best Thing to Listen to on a Laid Back Afternoon

The one-man band Benjamin Longmire is one of the great musicians who is offering great quality music soaked in his versatile music forms carried some great narrations.

Los Alamos, Feb 24, 2022 ([Issuewire.com](https://www.issuewire.com)) - The singer and songwriter **Benjamin Longmire** is back with some of his great musical works, which have his exceptional musical ways of making songs that have a unique taste to them. He is an independent artist managing all of his musical responsibilities all by himself, from singing, writing, instrumental works to producing the song. His

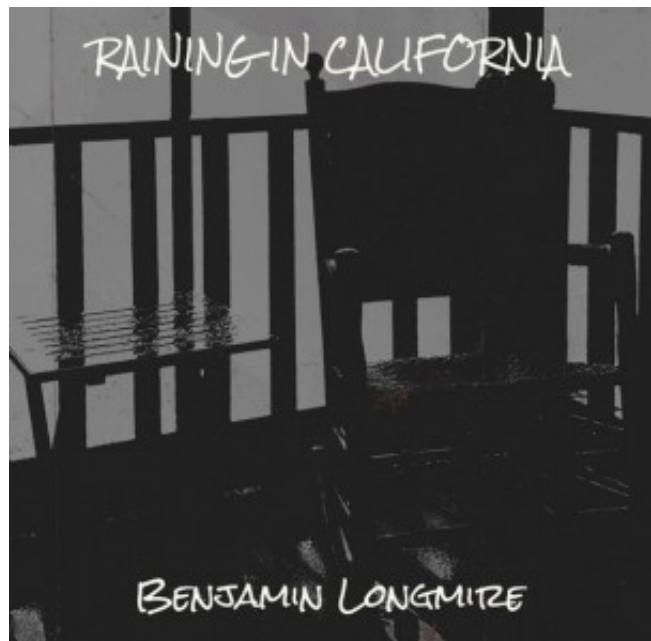

great musical number '[Serenity](#)' has that overpowering aura of his serene musical forms. The singer is very fond of Pink Floyd and the '[P!NK's Song](#)' is a tribute to that historic British rock band.

The track '[War](#)' is another musical number spreading the word of peace in this world full of ruthless warmongers. And '[The Key to Your Unlock](#)' is one of the great tracks that will make you are delivered the taste of a cozy afternoon. He records all his music in his own studio called Studio Jumbo. The singer has released four new albums already in 2022 and also working on new songs. Another album will be released shortly by the end of March.

He has been in this daunting music industry for over 15 years. The first that he wrote was 'Faith'. For a time **Benjamin Longmire** has collaborated with other musicians and formed a band called 'The Peregrines' but now he is an independent artist. Apart from Pink Floyd he also greatly admires Jason Isbell, John Mayer. Some of his popular numbers are 'Bless Your Heart', 'it's a Miracle on 41st Street', 'Come Home for Christmas', 'My Love'. Apart from Spotify, [Twitter](#), [Facebook](#), and [Instagram](#), he has his own [Website](#) follow him for more musical content.
