

‘The Next Time’ from Pop Music Artist O’Neill Fernandes is the Latest Addition to his Impressive Portfolio

Talented pop music artist from Perth, O’Neill Fernandes is famous for his incredible productions. The artist has come up with his 30th music album ‘The Next Time’.

The Next Time

other than famous music artist **O'Neill Fernandes** is back with his brand new and 30th album '[The Next Time](#)'. The album comprises twenty new tracks, which have been entirely composed and recorded by the artist. The latest album from the artist is a collection of love ballads that can take listeners on a nostalgic journey of music through generations and genres. The title track of the album '[The Next Time \(New Version\)](#)' from the artist is one of the three hit singles from the movie Summer Holiday. The new album also features the track '[I'll Be Your Baby Tonight](#)', which is a 1967 song by Bob Dylan and was covered by Robert Palmer with UB40 in the year 1980. The artist has also come up with a music video of the particular track.

This [pop music artist from Perth](#) has delivered some awestruck compositions and has been globally renowned for his outstanding productions. The artist revives the classic melodies from the past and produces them for his listeners worldwide with his unique touch. The artist is an inspiration for many as he is a self-learner and has learned to play all musical instruments by himself. The latest album from the artist features music hits from 1959 to 2003, which is yet another brilliant addition to his already impressive portfolio.

The creativity along with the talent the artist is possessing has been portrayed through his brilliant productions. Some of the tracks in the album include '**Every Time You Go Away**', '**Love Will Keep Us Together**', '**Can't You Hear My Heartbeat**', and many more. All the tracks from the artist's latest album '**The Next Time**' are available for listeners on [Soundcloud](#).
