

Tiffany Kaye Hammonds, RN, a Registered Nurse with Cape Fear Valley Health

Get to know Registered Nurse, Tiffany Kaye Hammonds, who serves patients in Raeford, North Carolina.

New York City, New York Feb 16, 2022 ([IssueWire.com](https://www.issuewire.com)) - Tiffany is a registered nurse currently working as an intensive care unit nurse at Cape Fear Valley Health in Raeford, North Carolina. Her philosophy of learning is for God to use her to help the people who are in the most need at that time of their life.

In regards to her educational background, she graduated with her nursing degree from the Mercy School of Nursing in 1993.

A Registered Nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province, or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.
