

Valentine's Day 2022: Try These Unique Tattoo Ideas for Couples

Toronto, Ontario Feb 13, 2022 (Issuewire.com) - [Couple tattoos](#) are very popular right now, especially during Valentine's week, so here are some ideas for getting matching tattoos.

During Valentine's week, couples celebrate their love and find new ways to express their affection. You can give your special one a selection of gift ideas to make them feel 'extra special.' Apart from a bouquet of roses, and a box of chocolates, you can get a permanent tattoo of your heart. Especially during Valentine's week, couple tattoos are very popular. We have some tattoo ideas for you if you are planning to get matching tattoos.

NAME TATTOOS

As couples get their names [tattooed on their bodies](#), mainly on their hands and backs, name tattoos are very popular. When the text size is small, the name tattoos look decent, though some people get them with large text. The name can also be customized by adding some flowers or hearts.

IMPORTANT DATES

[You can get tattoos](#) of the date when you first met someone, or when you started your relationship, or when you got married - these dates are important for couples, so you can get them. Today, it is quite common to write important dates in roman numbers.

CONNECTING TATTOOS

In keeping with the phrase 'two bodies, one soul', you can break your tattoo into two parts, and each part will be tattooed separately.

Two hearts between two colins is one way to have matching or connecting tattoos. Alternatively, you can hold one heart and the opening colin on your hand, and the other heart and the closing colin on your partner's.

Lock and key are another examples of such a tattoo. Getting a tattoo of a lock, while your partner gets a tattoo of a key, will help you connect with your partner. From the middle of a heart, two parts can be split up, and each of the couple's parts can be tattooed on each hand. It is possible to get a popular saying half-and-half tattooed. Similar to the [flame tattoo symbol](#).

MATCHING TATTOOS

A tattoo can be placed at the same location on both of your bodies. The word - 'soulmate' can be tattooed on your wrist, for instance.

GENDER TATTOOS

Gender tattoos include texts like - 'King and Queen', or a crown for the King and Queen, or the words - 'His King' and 'Her Queen'. The perfect choice for you and your partner if you both love tattoos - a lion tattoo for him and a lioness tattoo for her.
