

WealthFlow Empire- Bridging The Wealth Gap

WealthFlow Empire Financial Group founder Dwayne Rhames is educating people from every walk of life how to build wealth using Life Insurance You Don't Have To Die To Use, all while helping people build businesses in the Life Insurance Industry.

Atlanta, Georgia Feb 4, 2022 ([Issuewire.com](https://www.issuewire.com)) - During the beginning of Covid-19, millions of people were forced to leave their jobs because companies had to close down. Thousands of people are still out of work or are working low-paying jobs and can barely make ends meet. With the cost of living rising and salaries declining people are faced with financial uncertainties.

This is where WealthFlow Empire Financial Group comes in. WealthFlow was established by renowned CEO Dwayne Rhames Jr who found success in the insurance industry. He established WealthFlow to educate and help people create a business in life insurance. WealthFlow core purpose is to Bridge The Wealth Gap. Educating people on the same wealth-building tools the 1% use to build wealth and build legacies for their families

About WealthFlow

At WealthFlow, they help people to actually find success. How? By providing them with all the tools they need to succeed. First, WealthFlow provides training and mentorship, they help people find clients through their strategic marketing and client education programs. And lastly, WealthFlow is always looking for people to join their team with no college degree requirement and allows people to work from home.
