

## **William Schumacher, DO, FACEP, an Emergency Physician with Bayfront Emergency Physicians & Shore Medical Center**

Get to know Emergency Physician Dr. William Schumacher, who serves patients in Somers Point, New Jersey.

**New York City, New York Feb 28, 2022 ([Issuewire.com](https://www.Issuewire.com))** - A prominent emergency physician, Dr. Schumacher is affiliated with Bayfront Emergency Physicians and serves as the Medical Director of EMS services at Shore Medical Center. He strives to make a difference in health and healing, one person at a time, by providing the care patients need, when they need it. He offers expert medical care

for non-life-threatening illnesses and injuries.

At Shore Medical Center, kindness complements an extraordinary level of clinical sophistication. The people are the foundation of the modern medical center where advanced technology harmonizes with compassionate care. The center attracts the area's best doctors, nurses, and clinicians, and is the most favored hospital among these professionals to meet their own personal health care needs. They are dedicated to being patients' hospitals of choice, providing the highest quality healthcare services with respect and a caring human touch.

Educated in the United States, Dr. Schumacher completed his undergraduate education at the University of Delaware in 1986 and earned his Doctor of Osteopathic Medicine degree from the Philadelphia College of Osteopathic Medicine in 1995. He completed his residency in emergency medicine at the Albert Einstein Medical Center in 1999.

Distinguished as a Fellow of the American College of Emergency Physicians (FACEP), the doctor is board-certified in emergency medicine by the American Osteopathic Board of Emergency Medicine (AOBEM), which is an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the medical and surgical treatment of acutely ill patients with advanced cardiac life support, trauma, and the management of other life-threatening medical issues (emergency physicians).

Emergency medicine, also known as accident and emergency medicine, is the medical specialty concerned with the care of illnesses or injuries requiring immediate medical attention. An emergency physician works in an emergency department to care for acutely ill or injured patients on an unscheduled basis.
