Answer His Call

In the last few years, it seems that we have been tested and tried in unexpected ways. Some have lost jobs, homes, and even loved ones unexpectedly. It seems the way forward has been clouded by strife, division, and sickness. Our life choices have gone from “where do you see yourself in 5 years?” to how will I need to adapt to today’s news.

When every day we are reminded of how fragile life can be and even lifelong relationships are tested life can seem overwhelming. It may seem hard to follow our spiritual calling and purpose in such times.

We need to find a way forward that restores our inspiration and hope through everlasting principles and truths. Through all the things around us that distract we seek a guide or leader. A banner that will propel us forward on the chosen path while marking for His eternal kingdom the territory to be will be claimed and the enemy to be conquered.

Raise a Standard

Yahweh- Nissi means “Yahweh is our banner”. Our Heavenly Father plants His banner on our path to proclaim that we are under His divine protection and are being led for His purposes.

Are you seeking to grow in His calling to proclaim this good news? Do you find yourself searching for an intimate encounter with Yahweh such as Adam shared when he walked in the garden conversing with Yahweh in the cool of the day?

In a world of chaos confusion and fear Yahweh-Nissi School of Ministry invites you to step away from the turmoil of the headlines and transform your relationship with Yahweh through their course offerings.

Stay The Course
