

# Zilis™ Announces New UltraCafe™ Happy Premium Gourmet Coffee

For Immediate Release

**Argyle, Texas Mar 3, 2022 ([Issuewire.com](https://www.issuewire.com))** - Zilis™ LLC, a CBD industry leader, recently launched UltraCafe™ Happy, which combines 100% premium Colombia Arabica coffee, and Precision Spectrum™ hemp CBC (cannabichromene) to promote positivity and productivity.

This ground-breaking gourmet instant coffee is vegan-friendly, preservative-free, and gluten-free.

Gabriel Ettenson, the Senior Innovation Strategist for Zilis, spoke on the importance of this product launch, “We’re excited to extend our commitment to product innovation into the food and beverage space by combining a rare, powerful cannabinoid with the 3rd most consumed beverage in the world; all with the goal of helping elevate people’s mood.”

Marielle Weintraub, Ph.D., Director of Scientific Research and Development and Chairman of the Zilis Medical Advisory Board, added, “I’m ecstatic about the implications our latest product may possess. The attribute of being a non-intoxicating cannabinoid displaying its effects when combined with caffeine can redefine the institution of the coffee and CBD culture.”

Zilis announced the new product at SpringFest 2022, a virtual event for their U.S. Ambassadors.

Steven Thompson, CEO, and Founder of Zilis commented on this ground-breaking product, “We’re thrilled to launch UltraCafe™Happy, which brings together powerful ingredients to make a positive impact on our customers’ daily lives. I can’t wait to see our customers discover a better cup of coffee with UltraCafe™ Happy.”
