

2022 Leawo Spring Deals Offers Up to 60% OFF Music Recorder and Video Downloader

Spring 2022 is around the corner. Leawo Software specially launches an online sale, offering up to 60% OFF Music Recorder and Video Downloader, iTunes Video Converter freebie, and more.

Shenzhen, Guangdong Mar 14, 2022 (Issuewire.com) - Spring is the most delightful time to travel because it is not only the wildflower season but also the waterfall season. To help people pass the time on the long road, Leawo Software, a company specializing in multimedia solutions and data management software, recently rolled out their [2022 Spring Giveaway & Specials online deals](#), offering up to 60% OFF [Music Recorder](#) and [Video Downloader](#) for online music and video download. What's more, during this event, participants can also get up to 91% discounts on other Leawo hot-selling products, [iTunes Video Converter](#) freebies, etc. until March 31.

To download music for spring travel, people can make use of Leawo Music Recorder. This software, as one of the best online music downloading software, is actually an audio recorder. But featured with a smart music recognizer, it can download music from any online source like YouTube, [Tubidy](#), Last.fm, etc. with music tags auto-filled in. In addition to downloading music from websites online and computer systems, it can also record audio from external sources like microphones and headphones. Besides, with Task Scheduler, Recording Parameter Editor, Auto Ads & Blank Filter, as well as other practical tools preinstalled, users can get their favorite music downloaded without barriers. After recording, all recorded files can be saved in WAV and MP3 without quality loss. Moreover, users can edit music tags like artist, album, name, cover, etc. via the built-in music tag editor according to their needs. Now, with a 60% discount on Leawo All-in-One Package, or a 30% discount using the site-wide coupon, a lifetime license for this powerful music recording software is available as low as \$11.99.

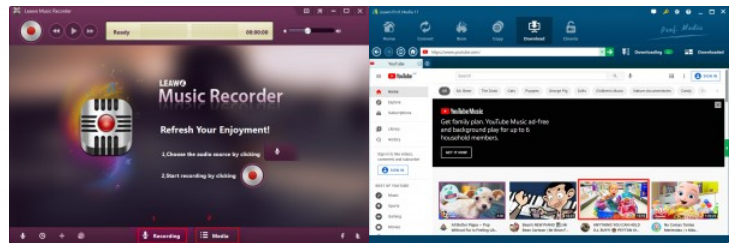

Leawo Video Downloader is yet the best video downloader because it can download videos from 1000+ sites like YouTube, Facebook, Vimeo, and more. Beyond that, it also supports live video downloading, including the direct live video URL and live video M3U8 link. With a built-in browser, users can directly

search for what they want to download and preview the video before downloading. After landing on the page of the target video, this video downloader will start to parse. Then, all downloadable videos will be listed alongside, and users can choose to download 480P, 720P, and even the 1080P HD video. Powered by advanced hardware acceleration technology, Leawo Video Downloader can download videos in batch 6x faster. Finally, also acts as a video manager and video player, users can manage and play their downloaded videos without effort. For a limited time, users can save up to \$23.97 on the lifetime license of this video downloader with up to 60% discounts in this event.
