

2022 Zhejiang Export Online Fair Announces Floor & Wall Materials Expo for Europe

The virtual expo and business matchmaking platform is being hosted by Department of Commerce of Zhejiang Province and organized by Zhejiang Broad International Convention Exhibition Co., Ltd.

Berlin, Germany Mar 15, 2022 ([Issuewire.com](https://www.issuewire.com)) - The pandemic has created an environment where businesses need to be innovative to meet the challenges of the new normal. Online exhibitions and buyer-seller meeting platforms for those who want to expand and diversify in the changed scenario of current times. In sync with this thought, Zhejiang Export Online Fair 2022 has announced a unique opportunity for stakeholders in the Floor & Wall materials industry to meet and generate business via video conferencing. The online fair on Floor & Wall Materials industry products will be held from 28th March to 1st April 2022 and is targeted at Floor & Wall materials industry buyer of Europe who is looking to source innovative products and accessories from key Chinese suppliers.

Supported by CREAT, the expo will see more than 50 top manufacturers from Zhejiang showcasing their latest range of Floor & Wall Materials Industry products and accessories for Europe buyers.

There will be innumerable options to choose from such as –

Solid wood flooring, engineered flooring, bamboo decking, engineered wood flooring, new three layers solid wood, PVC flooring, SPC flooring, new three layers solid wood, WPC decking, cladding, fencing, bathmat, doormat, inorganic flooring, baluster, wall panel, fence, flooring underlayment, floor mat, artificial grass & artificial fence etc.

This is an excellent platform to strengthen Floor & Wall materials industry trade between Europe and Zhejiang at time when business has hit a new low due to the restrictions on travel and transportation. The range of products has been selected keeping in mind the requirements of the Europe market.

All discussion amongst participants will take place online via Zoom video conferencing platform.
