

2022 Zhejiang Export Online Fair Announces Plastic Industry Expo For Pakistan

The virtual expo and business matchmaking platform is being organized by department of commerce of Zhejiang province and co-organized by Taizhou Xiandai international business exhibition co.,ltd. Islamabad.

Federal Capital Area, Pakistan Mar 17, 2022 (IssueWire.com) - The pandemic has created an environment where businesses need to be innovative to meet challenges of the new normal. Online exhibition and buyer-seller meeting platforms have emerged as the go-to destination for those who want to expand and diversify in the changed scenario of current times. In sync with this thought, Zhejiang Export Online fair 2022 has announced a unique opportunity for stakeholders in the plastic industry to meet and generate business via video conferencing. The online fair on plastic industry products will be held from 21st to 25thmarch 2022, and is targeted at plastic products buyers of Pakistan who are looking to source innovative products and accessories from key Chinese suppliers.

Supported by CREAT, the expo will see more than 50 top manufacturers from Zhejiang showcasing their latest range of plastic products and accessories for Pakistan buyers.

There will be innumerable options to choose from such as –

Plastic cutlery (spoon fork knife) mould, thin wall container moulds, cup mould, plastic moulds, injection moulding machine, mould plastic products, pipe fitting moulds, nonwoven fabric making machine, bag making machine, laminating and printing machine, die spotting machine, mould reversing machine, hydraulic clamping system, plastic crusher, plastic shredder, plastic recycling machine, pipe fitting, sanitary ware, home appliance etc.

This is an excellent platform to strengthen plastic industry trade between Pakistan and Zhejiang at a time when a business has hit a new low due to the restriction on travel and transportation. The range of products has been selected keeping in mind the requirements of the Pakistan market.

All discussions amongst participants will take place online via a Zoom video conferencing platform.
