Dhaka, Bangladesh Mar 1, 2022 ([Issuewire.com](https://www.issuewire.com)) - *The virtual expo and business matchmaking platform is being hosted by the Zhejiang Department of Commerce and undertaken by Zhejiang Samexpo Exhibition & Convention Holdings Co. Ltd. The 2022 Zhejiang Export Online Fair (Bangladesh- Auto Parts Products) Opened on 28th February 2022, the event is being hosted on the ZOOM Online Platform. The event is strongly supported by Bangladesh Automobile Assembly and Manufacturers Association (BAAMA).*

The pandemic has created an environment where businesses need to be innovative to meet the challenges of the new normal. In sync with this thought, Zhejiang Export Online Fair 2022 has announced a unique opportunity for stakeholders in the Auto Parts industry to meet and generate business via video conferencing. The Online Trade Fair on Auto Parts Products is open from 28th February.

Supported by *Bangladesh Automobile Assembly and Manufacturers Association (BAAMA)*, this online exhibition, will see nearly 90 enterprises participating from the Auto Parts production Industry. These enterprises are pioneers in the production and export of auto parts, such as Geely Ming Industrial and GEREP automotive from China; as well as professional auto parts purchasing enterprises from Bangladesh will also be there.

During the show, manufacturers from Zhejiang will be showcasing their latest range of Auto Parts Products. There will be innumerable options to choose from in the Auto Parts Products industry, such as Parts & Components, Electronics & Connectivity, Accessories & Customizing, which are just suitable for the Bangladeshi market. Products of Zhejiang enterprises are known for their quality and high standards, each product that will be showcased in the event, carries all the relevant and required certifications.

This is an excellent platform to strengthen the trade between Bangladesh and China at a time when a business has hit a new low due to the restrictions on travel and transportation. The range of products has been selected keeping in mind the requirements of the Bangladesh market.

During this Online Matchmaking conference, over 180 meetings will take place and a turnover of USD 5 Million is expected.

All discussions amongst participants will take place online via the Zoom Video Conferencing platform.
