

AGM Desarrollos by Alfonso Hilasca Eljadue, Donates lighting in Palenque, Colombia

In Palenque, an area in Mahates, Lighting donated to be installed in areas that need it in the community

Mahates, Bolivar Mar 1, 2022 ([IssueWire.com](https://www.issuewire.com)) - In Palenque, an area in Mahates, AGM Desarrollos SAS donated 50 luminaries which are going to be installed in areas that need them in the community. These were donated as part of its Corporate Social Responsibility Program.

Specifically, the areas of Junché, Chopacho, and Nueva Esperanza were largely benefited from these streetlights, as well as some other areas to a lesser extent. The official opening of these streetlights is next Thursday. The donation does not stop here, as other 100 streetlights have been pledged to the mentioned areas. AGM Desarrollos, owned by Alfonso Hilarca Eljadue, spoke through a representative vowing to continue its social impact in Bolívar and other key areas. .

The community of Palenque was very happy to receive the donation, as expressed by Hernández Cabarcas, a resident of the zone. He spoke to the security and quality of life that increased lighting brings, especially at nighttime in dangerous areas. Hernández Cabarcas is president of the Community Council of the zone.
