

Albert I. Kim, DO, a Family Physician with Sana Medical Clinic

Get to know Family Physician Dr. Albert I. Kim, who serves patients in Ontario, California.

New York City, New York May 12, 2022 ([IssueWire.com](https://www.issuewire.com)) - A highly trained family physician, Dr. Kim is in practice at Sana Medical Clinic, serving the Inland Valley communities for the past 19 years. His patient care philosophy is to treat the entire person and not only the disease.

The dedicated staff at Sana Medical Clinic have been serving the Ontario and San Bernardino County communities since 2003. Many of their patients have been with them from the beginning and have built lasting relationships which is the goal of their staff for every patient. They understand that quality healthcare comes from a strong partnership between the patient and the physician. They are dedicated to providing the highest quality of care for their patients.

A 1997 graduate of the Western University of Health Sciences College of Osteopathic Medicine of the Pacific, Dr. Kim completed his internship at the Naval Medical Center in San Diego and served as Battalion Surgeon for the Third Battalion Fourth Marines. He then went on to complete his residency in family medicine at the Arrowhead Regional Medical Center, where he was the Associate Chief Resident.

Passionate about his profession, the doctor is board-certified in family medicine by the American Osteopathic Board of Family Physicians, which is an organization that provides board certification to qualified osteopathic physicians who specialize in delivering comprehensive primary care for patients of all ages, genders, and addressing all parts of the body.

Continuously advancing his efforts, he is an active member of the American Osteopathic Association, the American College of Osteopathic Family Physicians, the American Academy of Family Physicians, and the American Medical Association.

With a passion for teaching, Dr. Kim has years of experience teaching medical students and mentoring pre-med students in his Alma Mater.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

Among his various accolades, Dr. Kim has been the recipient of the Naval Health Scholarship (1993), The President's Award (1995), Jeff Plumb Memorial Award (1995), Surgeon General of the Navy Commendation (1998), Patients' Choice Award (2015), and Compassionate Doctor Recognition (2015).

On a more personal note, he is fluent in English and Korean.
