

Art Apple Headquarters Grand Opening in Brooklyn New York on March 31st, 2022

New York City, New York Mar 30, 2022 ([IssueWire.com](https://www.issuewire.com)) - ART APPLE NYC is proud to announce its grand opening of the new Art Apple NYC Headquarters; here New Yorkers will have the opportunity to explore the diversity of local artists, as well as, ART APPLE's very own full-service creative agency and community event space.

Over the last 5 years ART APPLE NYC has produced over 200 activations for the creative talent in the New York City area including partnerships with local small businesses and traditional brick and mortar venues.

The press and public are invited to the grand opening and ribbon cutting of the new Art Apple NYC Headquarters on March 31st, 2022 for an introduction to the most dynamic arts organization opening a location blocks from Brooklyn's Barclays Center in New York City.

The opening night exhibit will highlight the works of French international artists and award-winning, now Brooklyn's own Lady Jday. The work highlights inspiring women with Juliette's Pantone jump off the canvas. The exhibit is part of Art Apple NYC's programming which is currently closing its ode to Women's History Month. The company's previous Creative Director and local Lower Eastside artist Crosby Romberger will also be slated as the company's President in the ceremonial opening of the 5,000 square foot creative facility.

The new location features marketing services, a photo studio, podcast station, beauty bar, recording studio, and performance stage. Art Apple NYC provides these tools primarily for the local artist community. The venue offers spacious individual rooms for artists in residency and/or special event production packages with hi-tech equipment for endless possibilities, such as receptions, conferences, business functions, trade shows, exhibitions, and more. Rentals are anticipated to start in April 2022.

The opening event will take place at 81 4th Avenue from 7 pm until 11 pm. Guests will be treated to a live performance by local artist Stone Harden and other special performances. Also a digital guided art tour, ceremonial ribbon cutting, and a reveal of the upcoming phone app.

"Despite these unprecedented times, Art Apple NYC has and will continue to support culture and the artists of New York," shares Moises De Pena, Founder of Art Apple NYC. "Art Apple is in an amazing position to offer the community and people of Brooklyn a new cultural space to build relationships and grow together.," Crosby Romberger inducted President adds.

Art Apple NYC is open daily from 10:30 am to 6 pm for the public and extended hours for members. About Company

A multimedia platform where artists meet collaborates and perform.

Art Apple NYC was established in 2017 and began as a local New York City art series every Tuesday in SoHo/L.E.S. Bringing artists, press, and tastemakers together for a networking experience with artisanal pairings. After 100 successful activations, the company began its tech venture to enhance efforts to support the arts. Today it continues to provide artists with an opportunity to showcase their talents and works through event production, buyer outreach, collaborative merchandise, and press.
