

ATAX TAX Services Provides Free Final Tax Return For Families of COVID-19 Victims

ATAX Declares March "Cameron's Month"

Virginia Beach, Virginia Mar 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - ATAX TAX SERVICE (Atax.com) is proud to announce they will be filling the final returns of those who lost their lives to COVID for their loved ones free of charge, with March 2022 declared Cameron's Month in honor of Cameron Lowry, who died on September 21, 2021, due to Covid. In the past two years, about 983,486 people have been killed due to Covid, and behind these numbers are real people whose families have been devastated by losing a loved one. For these family members, simple things like opening the mailbox can become a nightmare.

"I didn't even have the strength anymore to open it," was all Teresa DeFriece, the mother of a young man, Cameron Lowrey, who died due to Covid could say when her late son's final W2 came in the mail. Her despair is a clear reflection of what other families are dealing with when handling things like taxes for their loved ones. Dedicated to helping families and friends cope better in difficult times, ATAX TAX reached Teresa and offered to file the return free of charge.

"We could not ignore the opportunity to contribute to our mourning community and nation by helping those affected by this deadly virus. And we are going one step further, so in honor of Cameron Lowrey, ATAX is declaring March "Cameron Month" as we provide free tax returns for those who have lost their loved ones at no cost." Says Alberto Ortiz, President of ATAX.

Declaring March as "Cameron Month" aligns with our commitment to business with a conscience and helping people in difficult times. Our office nationwide will respond to validated requests from families who need a reliable team to handle the final tax filing of their loved ones at no cost. This will help them focus on healing instead of going through processes that could be emotionally draining.

**Some exclusions apply- contact local ATAX for more information.*

About ATAX TAX Services

ATAX Tax Service is a full-service, national tax preparation, and business services organization. We serve clients in both English and Spanish.
