Our research team has an average of 12 years of experience working specifically within the field of business contacts identification, qualification, and introductions. Our understanding of the markets we cover is second to none; we have ground-level experience in communicating with key decision-makers across all industries in every region of the world. Our expert columnists and authors shed light on the most successful branding strategies, identity work, development, and growth. With our team of dedicated professionals, Business/Biz World Magazine has become the benchmark for other companies to follow. Business/Biz World Magazine is a must-read for understanding the global brand ecosystem. <https://www.businessworldmagazine.net/magazine>

About Awards: Business/Biz World Magazine Awards was established with the aim of honoring excellence in performance and rewarding companies across different sectors. Who are making major strides in their industries? We recognize product, service, functional, strategic, and managerial innovation. The awards are given to acknowledge key players who strive for fineness & provide a platform for recognition. The award also aims to identify, create awareness about the significance of exceptional service delivery & reward their performance with global Recognition. <https://www.businessworldmagazine.net/awards>

Nominations are accepted for different countries and regions from companies throughout the year across a wide range of categories. Nominations received at their relevant national level are adjudged by an independent external research agency. To qualify for an award, the company must present accurate information about the details requested by the team. <https://www.businessworldmagazine.net/contact>
