

Career development, jobs and settlement overseas streamlined through Marvel Educators & Immigration Consultants.

Professional guidance essential for success in foreign land.

Bikaner, Rajasthan Apr 1, 2022 ([Issuewire.com](https://www.issuewire.com)) - Overseas Education and Immigration open up doors for skilled and semi-skilled workers. Marvel Educators & Immigration Consultants is a one-stop service provider for Canada, the US, the UK, Australia, New Zealand, and various European countries.

Diwakar Immigration Services & Marvel Educators and Immigration Consultant Pvt limited (MEIC) both have entered into a progressive partnership. Mr. Diwakar Sharma has over 20 years of experience in education management, international student recruitment. He is well versed with the current market trends and understands the needs of the younger generation. Diwakar is a *Regulated Canadian Immigration Consultant* and Oath Commissioner for taking affidavits in the province of Ontario, Canada. Diwakar says “before accepting an institution, the student should learn about the cultural dynamics of the university or college. Diversity at the management level tells about the real approach of these institutions.” Those interested in settling down in Canada should think beyond Ontario or British Columbia. Going abroad for higher education is a dream of many students, with our guidance and support they will secure admission to the best institutions, primarily the ones that appreciate these international fee-paying students.

Our focus is on the career enhancement of our clients and we provide them the advice they need for betterment. Sharma stresses further that Canada as a destination is very attractive for Indians as Canada offers a safe and progressive environment for settling down permanently in Canada. Indians bring stronger English-level skills and contribute to the Canadian job market. Canadians of Indian origin have been successful in securing higher-paid positions. Our consultancy firm deals with all immigration matters within the legal framework established by Immigration Refugees and Citizenship Canada. Family unification of Canadian citizens and permanent residents is a vital part of programs offered by Immigration Refugees and Citizenship Canada, and through Diwakar Immigration Services Inc, we can help Canadian citizens, permanent residents in sponsoring their spouses, common-law partners, dependent children, parents, grandparents, brother, sister, nephew/ niece under special circumstances.

Most recently his company Diwakar Immigration Services has collaborated with Marvel Educators & Immigration Consultants Pvt limited for providing the utmost professional services to clients of all levels. Marvel Educators is well-positioned as they have a strong advisory board consisting of associate professors, professors, media people, and industry experts. Ms. Chandani Mehta is one of the directors of MEIC and is based out of Bikaner, Rajasthan, she brings the knowledge of literature and understanding of human relationships. Through its first office/Centre, MEIC is a well-prepared, well-known establishment that provides professional education and immigration advisory services. Chandani is part of the local woman empowerment group “Nari Shakti” and through these social and philanthropic issues Marvel Educators & Immigration Consultants Pvt Limited has stepped its efforts towards these social causes.

Through our company students, parents, and working professionals all can avail all services in one spot. For more information about our services visit www.meico.io and www.rushtocanada.ca if you have any questions drop us an email at info@meic.io or info@rushtocanada.ca
