

Chelsea Graber, RN, a Registered Nurse with Advanced Practice Psychiatric Solutions, LLC

Get to know Registered Nurse, Chelsea Graber, who serves patients in Hagerstown, Maryland.

New York City, New York May 23, 2022 ([IssueWire.com](https://www.issuewire.com)) - Chelsea is a registered nurse currently working as the RN and office manager at Advanced Practice Psychiatric Solutions, LLC in Hagerstown, Maryland. She specializes in psychiatric mental health, autism, trauma, domestic violence, child abuse, hospice, crisis intervention, critical care, as well as emergency medicine. However, her biggest love and biggest contribution to the practice is her wealth of knowledge, patience, and the plethora of contacts and resources in the mental health and case management field. She loves to help children and their families “figure it all out”.

The mission of Advanced Practice Psychiatric Solutions, LLC is to empower children, adolescents, adults, and families to take back their lives; to go farther than they ever dreamed possible, taking one step at a time. They promise to always preserve humanity in the care of patients and their families, regardless of their age, sex, gender identity, race, ethnicity, disability, or language.

Pertaining to her educational pursuits, Chelsea graduated with honors (Phi Theta Kappa) from Montgomery College in 2004 and has studied pediatric, neonatal, and adult emergency medicine, psychiatry, critical care, and medical practice management for 20 years. Furthermore, she is certified in advanced cardiac life support and pediatric advanced life support. On a more personal note, she attributes her success to her drive to serve, gives back to her community, and change lives. She was awarded Foster Parent of the year, Montgomery County Maryland in 2010, for recognition of her outstanding performance, compassion, and drive, in her choice to adopt a sibling group of four children, in 2003, (ages 3,5,6 & 7). She raised them as her own into adulthood. She was also the youngest adult single woman, in the state of Maryland to adopt a sibling group of four at age 22, with her two-year-old son at that time. Chelsea is now the mother of 6, happily married living in Hagerstown, MD. She was a volunteer EMT at Rescue 2 in Wheaton, MD for many years starting at age 15. She was the primary speaker for the Family Justice Center in 2011 and raised over 50K to help open the facility. Also a speaker at the annual Choose Respect conference, victims impact, Center for Adoption Support, LEAP, and Police training support. More recently she participated in a podcast with Bill Mitchell from “When Dating Hurts”, which has the most plays to date. She is a very passionate advocate of educating others on mental health, autism, trauma, domestic violence, foster care, developmental delays, suicide prevention, and screening and how it affects children, adults, and their families. She also helps families with IEP & 504 support, helping bridge positive communication between schools and parents.

A Registered Nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province, or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients’ symptoms and medical histories, and assisting with patient rehabilitation and follow-up.
