

Cynthia A. Long, MD, a Radiologist with Consultants in Radiology PA

Get to know Radiologist Dr. Cynthia A. Long, who serves patients throughout the State of Texas.

New York City, New York Mar 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - Get to know Radiologist Dr. Cynthia A. Long, who serves patients throughout the State of Texas.

Well-versed in the field of radiology, Dr. Long is affiliated with Consultants in Radiology PA. Her areas of clinical interests include interventional radiology (infusaport placement, chemo embolizations, vertebral augmentation, angioplasty/stent placement, arterial and venous thrombolysis, percutaneous nephrolithotomy, percutaneous hepatic cholangiography/stent placement, percutaneous biopsies and drainages, arthrography, steroid joint injections); phlebology (varicose vein ablation and sclerotherapy procedures); and women's imaging (mammography, 3D tomosynthesis, needle localizations, US & stereotactic breast biopsies, hysterosalpingography, uterine fibroid embolization).

Academically, Dr. Long received her medical degree in 1988 from the University of Arkansas Medical Sciences Center (UAMS). She then continued her postdoctoral training in general surgery and completed a clinical transitional internship at UAMS, followed by a research fellowship in interventional radiology at UAMS with a special emphasis on biliary tract disease.

Subsequently, she completed her residency in diagnostic radiology at the University of Oklahoma Health Sciences Center, and her fellowship in interventional radiology at the Vanderbilt University Medical Center.

Licensed to practice medicine in Texas, Arkansas, and Oklahoma, the doctor is board-certified in diagnostic radiology and vascular & interventional radiology by the American Board of Radiology (ABR). The ABR is a not-for-profit physician-led organization that oversees the certification and ongoing professional development of specialists in diagnostic radiology, interventional radiology, radiation oncology, and medical physics.

Remaining up to date in her field, Dr. Long is an active member of the American College of Radiology, the Society of Interventional Radiologists, the Texas Medical Association, the Texas Radiological Society, and the Tarrant County Medical Society.

Radiology refers to the field of medicine that uses non-invasive imaging scans to diagnose a patient. A radiologist is a physician who uses imaging methodologies to diagnose and manage patients and provide therapeutic options.
