The team at the Dr. Song Acupuncture & Massages Clinic recently published their new website, created to inform current and new patients about Therapeutic Massage, [Traditional Chinese Foot Massage](https://drsongacupuncturemassage.com/), Chinese Herbal Medicine, and Acupuncture they offer. The website is user-friendly and features up-to-date, reliable information about acupuncture and massages techniques. Also, the website comes with general background information for patients who are interested in gaining knowledge about overall wellness and Chinese herbal medicine.

Dr. Song an acupuncturist of Dr. Song Acupuncture & Massages Clinic is proud to announce the launch of her new website, <https://drsongacupuncturemassage.com/>, which is intended to offer patients information about the clinic's non-invasive wellness therapies that include acupuncture, therapeutic massage, and traditional Chinese foot massage. Apart from being divided into clear sections, the website is easy to navigate and full of useful information for patients suffering from back pain or other conditions.

Patients can find a toolbar with links to sections that feature services offered at Dr. Song Acupuncture & Massages Clinic at the top of every page. Prospective patients can find out about payment options, necessary forms, and links to vital health resources at a New Patient section. There is an About Us section with information about Dr. Song and her wellness partners, the services and techniques provided at Dr. Song Acupuncture & Massages Clinic.

According to Dr. Song Acupuncture & Massages Clinic's founder, Dr. Song, the website is to help patients have full information so as to visit the clinic less stressful and more positive.

"The decision to launch a website that offers information about our services and general wellness topics is mainly based on our desire to provide our patients in South Edmonton with Acupuncture & Massage knowledge and peace of mind. Giving them full access to our website day in day out, so whether they need treatment for a sports injury, car accident injury, or other health conditions, they can get the accurate information they require to get ready for non-invasive therapies."

Dr. Song helps patients relieve pain, relax, and offer traditional Chinese medical knowledge, acupuncture, Therapeutic Massage, and Traditional Chinese Foot Massage, to patients in South Edmonton and surrounding areas.
