International brands are now easy for you to shop with Ubuy.

About Ubuy

Ubuy is a popular e-commerce company that has operations in 180 countries and still counting. It was founded in 2014 and is headquartered in Kuwait. They also provide customers with the option to choose products from their 7 different international stores.

Buy Now Pay Later

A unique shopping approach that has boosted the e-commerce sector's functioning tenfold. This feature has made shopping easy for customers, as it allows them to shop for their favourite item while paying for it at a future date.

Explore New Way of Shopping with Ubuy's BNPL Feature

Give yourself the ultimate shopping freedom that ever existed using the feature BNPL. At Ubuy, we focus on delivering absolute customer satisfaction. Here we have mentioned some of the important

points for you to consider while using [Ubuy Netherlands BNPL](#):

Pay Back in Upto 30 Days

- Choose to pay for your overall shopping in three ways: 14, 21, or 30 days.
- Pay the first installment once you get the product and the other two in the next two months.
- Enjoy trouble-free shopping for your preferred brands.
- You will enjoy a convenient shopping experience without worrying about interests, hidden charges, and EMIs.
- The due date of payment would be shared with you through email, so you don't miss it out.

Is Klarna Safe for Shopping?

Klarna is a trusted payment service provider that manages transactions to be safe using the features of BNPL. It follows the buyer protection policy, so you can be assured whatever information you share with us like mobile number, card details, email address, billing address, and name will not be saved by us or Klarna. The whole payment is done while following security protocols, so you don't have to worry about your personal information being shared.
