Free The Gang Apes NFT Collection Raises Awareness For Talent Locked Behind Bars

Los Angeles, California Mar 23, 2022 (<u>Issuewire.com</u>) - <u>Free Da Gang Apes</u> is an NFT project that represents the talent of the incarcerated all over the world. The collection aims to raise awareness of the wasted talent locked behind bars, and the capacity of those incarcerated to create something beautiful and good.

Through this project, the artist acts as a voice for men and women incarcerated all over the world. Many of these people deserve a second chance at life, instead of being locked up over simple mistakes. Through Free Da Gang Apes, the artist aims to show how those behind bars need to be allowed to develop the skills needed to be productive in society and stay free.
