The Studio, directed by Ms. Dickerson is no stranger to fun events. A prominent aspect of the business is its live recitals and workshops. Just visit their website at www.spinalacedance.com or call for special events, discounts, and group rates. As for public events, this will be the studio's first public access Easter event, a representative from the studio states, "The last couple of years have been so restricted. Therefore, it's important for the Children in our Metro Detroit area to celebrate Easter in a fun and exciting way this year."

Spin Palace was founded on the principles of empowerment, especially among girls and women. However, the studio does embrace boys and men when they participate. The Director and staff are focused on giving their students, families, and the entire neighborhood a go-to place within Warren, Michigan. Spin Palace offers specialized classes for those ages 5-10 and 11-16, and adult workshops including a 'Sip & Twerk' for those ages 21+. Their goal is to get more people active and dancing in Metro Detroit.
