Happy Tragic Bloody Fools Day!

Rock Band Tragic Bloody Fools Celebrates The Release Of Its First Music Video

Los Angeles, California Mar 31, 2022 (<u>Issuewire.com</u>) - The first annual Tragic Bloody Fools Day is the start of new customers to be conducted on the 1st of April which can consist of practical jokes, deep appreciation of music, or deep meditation. Foolish Ones (fans of the musical group Tragic Bloody Fools) often expose their actions by shouting "Join The Fools!" at the recipient. Mass media can be involved in these pranks, which may be revealed as such the following day. The day is not a public holiday in any country however in Odessa, Ukraine, the first of April is coincidentally an official city holiday. The custom of setting aside a day for playing harmless pranks upon one's neighbor has been relatively common in the world historically. "The Fools" themselves (the band) are celebrating it its own way with the release of their first music video "It's Only A Game" which can be viewed here.
