

HUNGLOCPHATLAND.VN Is A Reputable Website Specializing In Real Estate.

Thanh Pho Ho Chi Minh, Vietnam Mar 15, 2022 ([Issuewire.com](https://www.issuewire.com)) - Hung Loc Phat was established in 2001. After nearly 20 years, the group has transformed itself from the role of a production trader to a professional investor in the fields of real estate-energy-building materials.

Important milestones

2001: Established a company to exploit, buy and sell building materials, high-class paving stones Marble, and Granite.

2010: Launching Hung Phat 1 project. While the real estate market was in crisis, Hung Loc Phat still constructed and handed over Hung Phat 1 apartment on schedule. This built great trust for customers. row.

2012: Opened Marble & Granite factory (Hamlet 1, Long An commune, Can Giuoc District, Long An province) with a total investment of up to 200 billion VND, the factory was built on an area of about 60,000 m2, throughout. about 680,000 m2/year.

2013: Hung Loc Phat built the No. 1 position in the market when it won the Granite quarry and Granite factory in KhanhHoa.

2014: Invest in hydropower market: Da Dang 3 Hydropower Plant, Quang Son Hydropower Plant. 2015: Launched the second project of Hung Phat Silver Star luxury apartment.

2016: Launched the third high-end project, The Golden Star apartment project. Cooperating with leading brands such as HoaBinh contractor, ONG & ONG Design Singapore, and Artelia supervisor (France).

2018: Launch of Green Star Sky Garden project.

Summerland Mui Ne Resort Project

Summerland Mui Ne Resort project is a 5-star resort and entertainment complex in Phan Thiet developed by Hung Loc Phat company. The project includes townhouses, commercial townhouses (Shophouse), duplex beach villas, Vip villas with private pools, condotel hotel apartments. The article updates information on opening for sale, design ground, construction progress, the latest legal status of the Summerland Mui Ne project.

What makes Phan Thiet and Binh Thuan inferior to famous tourist destinations like Bali and Phuket is the lack of great entertainment spots to attract tourists to stay, have fun, experience, and spend more.

Therefore, Hung Loc Phat builds million-dollar entertainment facilities, unique, high-class, and first available in Phan Thiet. The Summerland Mui Ne project will become the number one entertainment paradise in the famous tourist destination of Mui Ne.

The pedestrian street in the Summerland Mui Ne villa, townhouse, and condotel project is 2,000m² long, including a shopping area, food court, festival street, beer club... At night, customers can sit and drink beer, listen to music, participate in festivals, and enjoy the sea breeze.
