

India Visa Online Simplifies The Evisa Process For Foreign Citizens

Chicago, Illinois Mar 15, 2022 ([IssueWire.com](https://www.issuewire.com)) - Standing in a queue and waiting for the visa to travel to India is now over as www.india-visa-online.org is now all set to streamline the process with efficient technology. This private website promises to assist foreigners from selected countries with Electronic Travel Authorization. It has made Indian Visa for US Citizens available since 2014. The entire process is supported by the Govt. of India.

Well, this new India e-Visa system permits any Australian citizens to enter into the country for reasons like - clinical visits, tourism, conferences, workshops, deal and exchanges, courses, charity purposes, and other ventures. All Australian applicants of Visa for India can pay for the process using AUD. Also, residents from the listed 135 countries can make the payment using credit, debit, or PayPal. However, this application procedure takes just a few minutes to complete. Be it an India Visa for Australian Citizens or anyone from the recorded countries – after submission of the form, one designated staff will go through it minutely to check if there are any errors in the form. This step has been included to avoid incorrect submission and it has made the process flawless yet quicker.

However, if anyone wants to visit India due to certain crisis premises, then that individual can surely opt for an Urgent Indian Visa which is also known as Emergency India Visa. Compared to other visas (say, Tourist Visa, Business Visa, and Medical Visa), an Emergency Visa involves less effort. This Urgent Visa takes a maximum of 3 business days if it is submitted properly. India Visa Online further reminds the applicants that Emergency Visa won't be issued on Indian National Holidays such as 26th January, 15th August, 2nd October, and so on.

Online visa application abides by some excellent advantages. Any applicants can now provide the supporting documents either through mail or by uploading them on the portal. The validity period of these eVisas may differ in terms of their category. Tourist Visa and Business Visa are valid for 1 year, whereas, Medical eVisa and Medical Attendant eVisa are valid for only 60 days from the arrival date.
