INDUSROOF®

INDUSTRIAL Diligence Under One ROOF

Vadodara, Gujarat Mar 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - Indusroof, Industrial Diligence Under One Roof Brings Industrial Supplies Now Online

Finding quality industrial supplies has always been an issue for customers and Industries. The fundamental problem is the lack of transparency and sufficient technical information about the product. For decades the supply channels have not been able to overcome these drawbacks. It is also practically impossible for every seller to have the staff with technical information to cater to their customers.

Directors of Indusroof Ecommerce Pvt Ltd has been dealing in Industrial supplies for the last 20 years and during these 20 years these drawbacks have often grabbed their attention. With the motive to overcome these drawbacks of supply chains, Indusroof Ecommerce Pvt Ltd is entering the E-commerce market with the platform "[INDUSROOF.COM](https://www.indusroof.com)."

Directors of Indusroof Ecommerce Pvt Ltd were delighted and enthusiastic while sharing the platform with the public. According to them, Indusroof.com will have many options within various types and categories of Industrial supplies. The platform or e-portal will equally serve industries, exports, and individual clients. There are unique options for bulk inquiry on the portal, unlike other platforms. While other platforms might miss the aspect of serving the correct technical details with clients, Indusroof will make sure these details are precisely presented beforehand for the convenience of ordering.

As per the details shared by the directors, the [Indusroof](https://www.indusroof.com) industrial products e-commerce platform has some distinguishing features not found elsewhere. According to them, the platform has:

- **Easy Payment Options**
- **Buy on Credit, Interest-Free Credit**
- **Advanced Buyer Protection on bulk purchases**
- **Special prices for B2B clients**
- **Export Quality Products**
- **Authorized Dealer and Distributors Network**
- **Purchase Approval and Buyer Order Placed on the same platform**
- **7-day return options**
- **The dedicated team of technically knowledgeable staff to deal with product queries**
- **Live Prices**
- **Specifications and Details specific as per Brand**
- **Multiple features on the platform to scrutinize required products**

One of the team members also gave a demo of Indusroof.com. The platform seems user-friendly and apt to the industrial product purchasing requirements. Our experience of using Indusroof.com while browsing categories of products was smooth and hassle-free. It will not be an overstatement if we say that the Indusroof.com platform is designed to keep the end user's needs in mind. The technical details of the products on the website also help to a great extent to make the right purchasing decision.

Indusroof.com will revamp the Industrial Supply Scenario in India.

Buying industrial supplies after optimum product information and at best prices was never this easy. The way we are programmed to purchase industrial supplies will undoubtedly change shortly. The best part about Indusroof.com is that it deals with pan India. Whether you are purchasing industrial products from Gujarat or any part of India, you would receive the best quality industrial supplies at the most competitive rates in the market. All you need to do is place an order, mention your address, and the product will be delivered to your doorstep without any hassles.

Often it happens that Industrial supplies, once bought, the user gets to know that these parts are not apt for their requirements. But, the timing of the information received is a bit too late. Indusroof understands that these small yet most important aspects of the product must be known to the customer before purchasing the products. Thus, all the product-related information is mentioned on the ecommerce website or enterprise portal in easy-to-understand and straightforward language.

Key Takeaways for [Industrial supplies](https://www.indusroof.com) Buyers

According to the information provided by the directors and core team at the conference, we would like to add that industrial supplies buyers would find Indusroof.com helpful and practical. The dependence on mediators will be eliminated, and the platform will eliminate dependence on the mediators. And it would become easy to place orders after going through specifications and detailed information about the products. Mediators with less product knowledge are the big issue while making industrial supplies decisions. Thus, any industry looking forward to hassle-free and transparent deals on industrial supplies would find Indusroof.com a boon. Industries would find these deals more reliable and performance-enhancing than other types of industrial supplies buying options.

Directors of Indusroof.com have experience of serving many clients in the past 20 years and have many reputed names associated with them. Some of those noteworthy partners are **Ceat Tyres, HPCL, RR Global, Adani Group, Vedanta Group, Suzlon, Aditya Birla Group, L&T Heavy Engineering, L&T Group, Opal (ONGC Petro additions Limited), Camlin Life Science, Jubilant Group, ONGC, Linde** etc. The company directors are sure to create similar relationships with other clients in the future. After witnessing the directors' concept and key ideas, we are optimistic about the leap of positive growth, Indusroof is proceeding towards.
