

Krishisatva-Your Ecommerce Partner for a Healthy Living

KRISHISATVA

A HEALTHY LIFESTYLE PARTNER

Bengaluru, Karnataka Mar 13, 2022 ([Issuewire.com](https://www.issuewire.com)) - E Digital Platform

E-Commerce is one of the fastest-growing industries and consumers have adapted to the digital platform of ordering fresh quality fruits and Vegetables online within the safety of their homes.

Krishisatva owned by Beru Ecommerce India Pvt Ltd., was founded in 2021 and is based out of Bengaluru, selling fresh produce that includes fruits and vegetables. We, at Krishisatva, source all our

products directly from the farmers. We conduct timely inspections of their agricultural lands to ensure top-notch quality that helps retain high nutritional and health value. Hence, you will notice our produce is always fresh and at its best when it reaches the customer's doorstep.

Vinay Krishna, the Founder/CEO of Krishisatva, strongly believes a healthy body and sound mind make space for a happy lifestyle. It is therefore our vision to ensure that when customer's shop with Krishisatva, we provide them with the produce of the highest quality at competitive prices to encourage healthy eating habits.

It is now easier to shop with us, download the Krishisatva app from the Google playstore and take the first step to order fresh and quality produce. Make use of the available time slots to schedule hassle-free deliveries anywhere in Bengaluru.
