

Lifewit explores the drawer organizing industry and plans to gain 10,000 orders

Delaware, United States Mar 18, 2022 ([Issuewire.com](https://www.issuewire.com)) - Managing space in modern life is quite a struggle, especially for small things. Most people put them together neatly in their drawer but they soon become messy as it is not possible to arrange them every day. [Lifewit Drawer Organizer Set](#) offers the best solutions for the problem most people have, helping them keep the small things like makeup organized, especially the ones they use on a daily basis. The product has been in the market for just 2

months and the company is already on its way to achieving 10,000 orders very soon.

Lifewit is a trusted brand that has been ruling the [storage product](#) business scene with its cloth storage products. They have recently decided to try their hand in-drawer storage and cosmetic storage field using their expertise and years of experience. The product was launched very recently in January and it quickly attracted the attention of the people because of its excellent quality and reasonable price. In just two months, the company has been able to sell nearly 5,000 units and they hope to make a breakthrough by selling up to 10,000 units in March.

Lifewit is focused on offering its customers the utmost comfort and convenience when it comes to keeping things arranged at their home or workplace. The set offers 25 pieces of clear plastic storage bins that help people keep things organized. Not only makeup, but they can also be used to store various objects like pieces of jewelry, gadgets, pins, stationeries, and more. They are extremely valuable for storing purposes in the bedroom, kitchen, bathroom, study, office, and more. The users just have to put the item they use back into the right container and everything will stay in place without a hassle.

One customer described their experience of the product by saying, 'Excellent value, excellent product. Durable & work very well in all drawers. These make organizing easy. Highly recommended & definitely would buy again.'

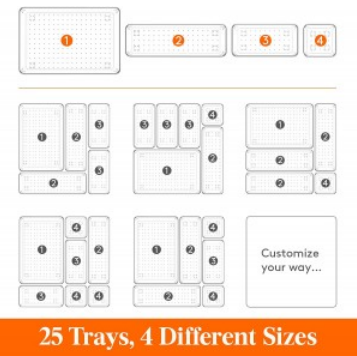

The company has a great reputation for bringing quality products to the market. They have used premium quality material to make their products so they last a very long time. They used top-quality polystyrene plastic which is completely BPA-free. The boxes are non-toxic and safe to use for a very long time. The stackable design of the boxes is extremely attractive and really good to look at. The measurement of the boxes is perfect to fit different sizes and shares of drawers. The users can stack them in pairs, on top of each other, or split them up and customize the arrangement as per their needs and requirements. They are a great value of money for users across the country.

Lifewit's drawer organizer set comes in 4 different sizes that can be fitted in a drawer creating separate sections for different items. The users can easily arrange them in different combinations and anyway they like as per their convenience. They can be mixed, matched, and adapted with drawers of all sizes. There are 8 pieces of 3" x 3" x 2.1" boxes, 8 pieces of 6" x 3" x 2.1" boxes, 6 pieces of 9" x 3" x 2.1" boxes, and 3 pieces of 9" x 6" x 2.1" boxes.
