Get to know Obstetrician-Gynecologist Dr. Mattie Scott-Phillips, who serves patients in Grand Blanc, Michigan.

New York City, New York Mar 1, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dr. Scott-Phillips is an obstetrician-gynecologist who has proudly served Grand Blanc and surrounding areas with excellent obstetrics, gynecology, and surgical services for over 20 years. She prides herself in using the most advanced procedures, diagnostic tools, and medical information available to provide exemplary care to her patients.

The team at Grand Blanc Obstetrics & Gynecology provides personalized and comprehensive women's healthcare and strongly believes in building long-lasting professional relationships with patients. Their friendly staff, comfortable environment, and confidential view of their patient's care have made them the OB/GYN provider of choice to thousands of women. Their mission is to provide the highest quality healthcare for women, at every stage of their life, using the latest information and technology.

Academically, Dr. Scott-Phillips received her medical degree from Michigan State University College of Human Medicine. She went on to further her training by completing her internship at the Methodist Hospital of Indiana, and her residency in obstetrics & gynecology at the Clarian Methodist Hospital, Indiana University.

Recognized as a Fellow of the American College of Obstetricians and Gynecologists (ACOG), the doctor is board-certified in obstetrics and gynecology by the American Board of Obstetrics and Gynecology (ABOG). The mission of the ABOG is to define specialty standards, certify obstetricians and gynecologists, and facilitate continuous learning to advance knowledge, practice, and professionalism in women's health.

Among her other roles, she can be found on staff at Genesys Regional Medical Center and Hurley Medical Center.

Obstetrics and gynecology (OB-GYN) is the medical specialty that encompasses the two subspecialties of obstetrics (covering pregnancy, childbirth, and the postpartum period) and gynecology (covering the health of the female reproductive system – vagina, uterus, ovaries, and breasts).
