

Mobile Sports Game “Boxing Star” Develop Your Own Strategy, Character Traits Update!

Seoul, South Korea Mar 21, 2022 ([Issuewire.com](https://www.issuewire.com)) - The mobile sports game “Boxing Star” announced a Character Traits update.

Newly added Character Traits enhance a character’s ability by adding various types of Traits. Each character is classified as Light, Middle, or Heavy according to body type. By acquiring Traits, players can improve a character’s power, attack speed, and many more abilities.

Along with the new Character Traits update, New Stance Skills have been added to “Boxing Star”. The Skill and Training system has gone through a major improvement. Players can now select up to six times to train characters.

Players will receive tons of rewards just by accessing the game daily. The daily in-game rewards include Gold and the Platinum Box.

Developed by 4:33, “Boxing Star” features an immersive story and interactive gameplay in which players fight their way through multiple tournaments. “Boxing Star” has more than 50 million downloads on Google Play.

For more details on all these recent updates, visit the official “Boxing Star” Facebook page.
