

Monica M. Suliman, MD, FACOG, an Obstetrician-Gynecologist with Kelsey-Seybold Clinic

Get to know Obstetrician-Gynecologist Dr. Monica M. Suliman, who serves patients throughout the State of Texas.

New York City, New York Mar 10, 2022 ([IssueWire.com](https://www.issuewire.com)) - A board-certified obstetrician-gynecologist, Dr. Suliman is affiliated with Kelsey-Seybold Clinic, seeing patients at their offices in Webster and Pasadena, Texas. She strives to provide the best care in women's health in a compassionate and understanding manner. She understands many issues are personal, and she is interested in addressing all of her patient's concerns in a compassionate way. She is an advocate of minimally invasive surgery when applicable and certified with the DaVinci Robot.

"For me, being an OB/GYN is much more than a job. It's a passion. I enjoy sharing and celebrating the precious moments of childbirth with a new mom. I also enjoy performing robotic surgery for those who need it and taking care of women's health at all ages" expressed the doctor.

Academically, Dr. Suliman double majored at The University of Texas. She earned her medical degree at the Ross University School of Medicine in 2010, and completed her residency in obstetrics and gynecology at the Monmouth Medical Center in 2014.

Recognized as a Fellow of the American College of Obstetricians and Gynecologists (ACOG), the doctor is board-certified in obstetrics and gynecology by the American Board of Obstetrics and Gynecology (ABOG). The mission of the ABOG is to define specialty standards, certify obstetricians and gynecologists, and facilitate continuous learning to advance knowledge, practice, and professionalism in women's health.

With an unwavering commitment to her specialty, she is an active member of the Harris County Medical Association, and the Texas Medical Association.

From 2014 to 2020, Dr. Suliman served as an OB/GYN specialist at Grande Dunes OB/GYN and Grand Strand Regional Medical Center. She joined Kelsey-Seybold Clinic in August 2020.

Obstetrics and gynecology (OB-GYN) is the medical specialty that encompasses the two subspecialties of obstetrics (covering pregnancy, childbirth, and the postpartum period) and gynecology (covering the health of the female reproductive system – vagina, uterus, ovaries, and breasts).

An authority in her field, Dr. Suliman has been the recipient of the Ellen M. Cosgrove House Staff Research Award (2011, 2012), REI Achievement Award (2013), Academic Achievement Award for the Highest in Training Exam Score (2013), and Robert J. LaMagra, MD Award (2014).

On a more personal note, she enjoys spending time at the beach and cross-stitch. She has two cats named Mac and Cheese. Her guilty pleasures are chocolate and cheese. As a child, she visited Egypt. She also participated in People to People International programs as a United States representative in track and field in 1999.
