FamilyCare Health Centers remain steadfastly committed to providing comprehensive care leading to healthy communities where their patients live, work, or go to school. That is why their team of qualified providers offers medical, dental, and behavioral health services for everyone. Applying their core values of dignity, honesty, caring, genuine, dependable, and family, when patients walk through the doors of any FamilyCare location, they can trust that they will receive unmatched, compassionate care.

Educated in the United States, Dr. Elwood earned her medical degree from the Marshall University School of Medicine in 2000. She completed her residency in family medicine at the Mayo Clinic in Jacksonville in 2003.

In pursuit of clinical excellence, the doctor is board-certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice in family medicine and its sub-specialties.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

Among her most notable achievements, Dr. Elwood has been the recipient of the Compassionate Doctor Recognition in 2015.
