

Nirnimesh C. Pandey, MD, an Interventional Radiologist with Mid-Atlantic Permanente Medical Group

Get to know Interventional Radiologist Dr. Nirnimesh C. Pandey, who serves patients throughout the States of Virginia and Maryland.

New York City, New York Mar 21, 2022 ([Issuewire.com](https://www.issuewire.com)) - A skilled interventional radiologist, Dr. Pandey is affiliated with Mid-Atlantic Permanente Medical Group, serving patients in Mclean, Virginia, and Largo, Maryland.

“The strong focus of the Mid-Atlantic Permanente Medical Group on providing a wide array of diverse interventional radiology procedures, as well as high-level diagnostic imaging is synergistic with my vision to provide a strong patient-centered focus of interventional radiology for my patients” expressed the doctor.

Born and raised in Virginia, Dr. Pandey attended the University of Virginia for his undergraduate education and graduated with his medical degree from the Mount Sinai Medical Center. After completing his internship at the Beth Israel Medical Center, he completed his residency in diagnostic radiology and his fellowship in interventional radiology at the Hospital of the University of Pennsylvania.

Following his training, the doctor attained board certification in interventional radiology and diagnostic radiology through the American Board of Radiology (ABR). The ABR is a not-for-profit physician-led organization that oversees the certification and ongoing professional development of specialists in diagnostic radiology, interventional radiology, radiation oncology, and medical physics.

Remaining up to date in his field, he is an active member of the Society of Interventional Radiology and the American College of Radiology.

Interventional radiology is a medical specialization that involves performing a range of imaging procedures to obtain images of the inside of the body. Vascular & interventional radiologists focus on diseases of the blood vessels and lymphatic system, but also treat other conditions such as cancer and infertility. They perform minimally invasive treatments that have less risk, pain, and recovery time compared to open surgery.

An authority in his field, Dr. Pandey has been the recipient of the Top Doctor Award by Northern Virginia Magazine in 2022.

On a more personal note, he enjoys rock climbing, tennis, baseball, and cooking international foods. Recently, he backpacked through Europe in 2012 and the Peruvian Incan trail in 2013.
