

Panamax Successfully Wrapped-up MWC22 with an Amplified Industry Network and Fruitful Engagements

New York City, New York Mar 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - MWC 2022 by GSMA, held during 28 February to March 3 in Barcelona, Spain, is the most influential of the connectivity and technology industry and provides a great stage for industry stalwarts as well as emerging players to demonstrate their expertise and innovative solutions. During the event our booth was visited by some of the global industry leaders who shown keen interest in our next-gen Digital Financial Solution as well as Digital Banking Solution that help banks and financial institutions provide modern fintech services to their consumers, facilitate online banking, and save operational costs.

The event gave us an opportunity to exhibit our flagship [Digital Financial Solution](#) – MobiFin Elite along with its enterprise-grade Digital Banking capabilities like Agency Banking, Omni-channel Banking, Core Banking System, Mobile and Internet Banking, and WhatsApp Banking. MWC 2022 has proved to be extremely fruitful and engaging for Panamax with an overwhelming response received at the event.
