Pets and the Afterlife 3:
Messages from Spirit Dogs

Washington, D.C, District of Columbia Mar 7, 2022 ([IssueWire.com](http://www.IssueWire.com)) - Best-selling author and pet medium Rob Gutro's eighth book, "Pets and the Afterlife 3: Messages from Spirit Dogs" has just been awarded an honor by BookAuthority as one of the 16 best books on grief and loss. The book also reached Amazon's #1 New Seller status when it was published in 2021.

The award cited: "BookAuthority collects and ranks the best books in the world, and it is a great honor to get this kind of recognition." BookAuthority is the world's leading website for book recommendations by thought leaders, helping people find the best books on any subject. BookAuthority is used by millions of book lovers from all around the world and has been featured on CNN, Forbes, and Inc.

"It's an honor to be recognized for a book that is helping people through grief and loss of their precious pets," Gutro said.

Pets and the Afterlife 3 is the third book in a successful series that teaches grieving pet parents how pets communicate from the afterlife and focus exclusively on signs from dogs in the afterlife. Through illustrative stories of how pets in spirit give signs to either their pet parents directly, or through interpretive readings with Rob, readers will learn how to recognize and interpret signs on their own from their pets who have passed. Also included is a chapter is written by a licensed psychologist who describes ways of coping with the loss of a beloved pet. "I wrote this book to bring comfort to people who lost a pet and explain how our dogs and cats give us messages from the other side," Gutro said.

All nine of Rob's books achieved Amazon's best-seller status.

Rob is a dog parent, dog rescue volunteer, and a medium and paranormal investigator with the Inspired Ghost Tracking of Md. In 2020, he released "Case Files of Inspired Ghost Tracking," a book about their most interesting and provocative cases. "I write these books to educate and give people understanding to recognize signs on their own," he said. Rob also provides short readings of your pet who passed via email for a small fee through PayPal. Reading information is available on his website.

Book Authority's website explains the criteria for making the list: Every day, the Book Authority site scans the web for notable books on various subjects. It then collects dozens of different signals to rating each book, such as public mentions and on social media, recommendations, ratings, popularity, and sales history. Only the very best books end up being featured in BookAuthority's lists. To keep our site objective and impartial, ratings are calculated based purely on data. We do not accept authors' requests to feature a book, nor do we charge any money to appear on the website.

Rob maintains a weekly blog, Facebook, and Twitter pages, where he writes about paranormal topics, and where people can share their stories or find other resources on the paranormal. The new book and his other books are available in paperback and E-book, on Amazon.com and other outlets at:
