

Robert M. Fede, MD, an Internist with University Hospital, Newark

Get to know Internist Dr. Robert M. Fede, who serves patients in Newark, New Jersey.

New York City, New York Mar 18, 2022 ([Issuewire.com](https://www.issuewire.com)) - A seasoned internist, Dr. Fede is an attending physician at University Hospital, Newark, and serves as an Assistant Professor within the Department of Medicine at Rutgers New Jersey Medical School.

As New Jersey's public academic health center, University Hospital is committed to providing

exceptional care to every patient, every time. They understand that each and every one of their patients deserve and will receive their utmost attention and respect. It is their pleasure to help their patients through their health care experience at the hospital.

A native of Newark, New Jersey, Dr. Fede received his medical degree from Rutgers New Jersey Medical School in 1986 and completed his residency in internal medicine at University Hospital in 1989. He joined the faculty of Rutgers New Jersey Medical School in 1991.

As a testament to his success, the doctor is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
